At The Name Of Jesus

INTRO -  E  A  E  A

E  A
At the Name of Jesus, every knee shall bow,
E  A
Every tongue confess Him King of glory now;
C#m  B  E  A
'Tis the Father’s pleasure we should call Him Lord,
C#m  A  B  E  A  E  A
Who from the beginning was the mighty Word.

E  A
At His voice creation sprang at once to sight,
E  A
All the angel faces, all the hosts of light,
C#m  B  E  A
Thrones and dominations, stars upon their way,
C#m  A  B  E  A  E  A
All the heavenly orders, in their vast array.

C#m  A
Humbled for a season, to receive a name
C#m  A
From the lips of sinners unto whom He came,
E  B  C#m  A
Faithfully He bore it, spotless to the last,
E  A  B  E  A  E  A
Brought it back victorious when from death He passed.

E  A
In your hearts enthrone Him; there let Him subdue
E  A
All that is not holy, all that is not true;
C#m  B  E  A
Crown Him as your Captain in temptation’s hour;
C#m  A  B  E  A  E
Let His will enfold you in its light and power.
