BY THE MARK (Gillian Welch / David Rawlings)

C             G
When I cross over, I will shout and sing
C             G              F              C
I will know my savior, by the mark where the nails have been

C
By the mark where the nails have been
G              C
By the sign upon his precious skin
C
I will know my savior when I come to him
G              F              C
By the mark where the nails have been

C             G
A man of riches, may claim a crown of jewels
C             G              F              C
But the king of heaven, can be told from the prince of fools
{chorus}

C             G
On Calvary Mountain, where they made him suffer so
C             G              F              C
All my sin was paid for, a long, long time ago
{chorus}

C
I will know my savior when I come to him
G              F              C
By the mark where the nails have been
