Child of God

VERSE 1:
A                E/G#                F#m
With every breath, with every thought
D                  F#m
From what is seen to the deepest part
E/G#              F#m
I offer all that I've come to be
D     E            A     D     E
To know your love fathering me

CHORUS:
A             D/A            A
Father You're all I need
F#m          D     E        F#m
My soul's sufficiency
E/G#          A             D/A          A
My strength when I am weak
F#m          D     E        F#m
The love that carries me
Esus         E              D     E
Your arms enfold me, till I am only
A
A child of God

VERSE 2:
A                E/G#                F#m
With every step on this journey's walk
D                  F#m
And wisdom's songs that the soul has sought
E/G#              F#m
I give myself unreservedly
D     E            A     D     E
To know Your love fathering me
