Come

G                        D
One day every tongue will confess you are God
G                        D
One day every knee will bow
G                  Bm
Still the greatest treasure remains for those
   Em                  A
Who gladly choose you now
