“40” - U2

D
I waited patiently for the Lord
G
He inclined and heard my cry
D
He lifts me up out of the pit
G
Out of the mire and clay

D
I will sing, sing a new song
D
I will sing, sing a new song

D              G
How long to sing this song?
D              G
How long to sing this song?
D              G              D
How long... how long... how long... how long... to sing this song

D
He set my feet upon a rock
G
And made my footsteps firm
D
Many will see
G
Many will see and fear
