Hallelujah, What a Savior

A          F#m
“Man of Sorrows,” what a name
D    A/C#   Bsus   E
For the Son of God, who came
A          F#m   D
Ruined sinners to reclaim.
      A   E   D   A
Hallelujah! What a Savior!

A          F#m
Bearing shame and scoffing rude,
D    A/C#   Bsus   E
In my place condemned He stood;
A          F#m   D
Sealed my pardon with His blood.
      A   E   D   A
Hallelujah! What a Savior!

A          F#m
Guilty, vile, and helpless we;
D    A/C#   Bsus   E
Spotless Lamb of God was He;
A          F#m   D
Full atonement! Can it be?
      A   E   D   A
Hallelujah! What a Savior!

A          F#m
Lifted up was He to die;
D    A/C#   Bsus   E
“It is finished!” was His cry;
A          F#m   D
Now in Heaven exalted high.
      A   E   D   A
Hallelujah! What a Savior!

A          F#m
When He comes, our glorious King,
D    A/C#   Bsus   E
All His ransomed home to bring,
A          F#m   D
Then anew His song we’ll sing:
      A   E   D   A
Hallelujah! What a Savior!
