They lead Him to "Crucify";
Not a word, not a word.

They all cried to "Lot's bar;
Not a word, not a word.

They nailed Him to a tree;
Not a word, not a word.

But He never said a mumbling word.

They word.

They word.

They word.

But He never said a mumbling word.

But He never said a mumbling word.

Lead him to Lot's bar.

But He never said a mumbling word.

Not a word, not a word, not a word.

Not a word, not a word, not a word.

Not a word, not a word, not a word.
