Heal Me  © 2005, Parson John Publishing (ASCAP), by Brian Moss

Bm     Gmaj7/B    D/A        F#m
Asleep on a bed of tears, I cry out but do you hear
Bm     Gmaj7/B    D/A        F#m
All my hope is lost in pain, my bones are weak my blood is stained
Bm     Gmaj7/B    D/A        F#m
Ashes from ashes and dust from dust, O Lord, turn around

Bm      G          A/C#       E/B
Heal me!  Heal me!
Bm      A/C#        G/D
In your mercy heal me!

Bm     Gmaj7/B    D/A        F#m
How long must I wait in doubt? Falling further in with no way out
Bm     Gmaj7/B    D/A        F#m
God, my God, where have you gone? If I die you lose the song
Bm     Gmaj7/B    D/A        F#m
Ashes from ashes and dust from dust, O Lord, turn around

{chorus 2x}
{sol - Bm     Gmaj7/B    D/A        F#m}

Bm     Gmaj7/B    D/A        F#m
As God has turned to me, my enemies turn away
{4x}
For He has...

Bm      G          A/C#       E/B
Healed me!  Healed me!
Bm      A/C#        G/D
In His mercy He has healed me!
D      G          A/C#       E/B
Healed me!  Healed me!
Bm      A/C#        G/D        D/B (end on this chord)
In His mercy He has healed me!
