It is Well With my Soul (hymn # 519)

C                G                F                C
When peace, like a river, attendeth my way,
Am           D/F#                G                G/F
When sorrows like sea billows roll;
C/E                F                D/F#                G
Whatever my lot, Thou hast taught me to say,
Am                G                F
It is well, it is well, with my soul.

F2            G
It is well (it is well),
G                C
With my soul (with my soul),
F                G                F
It is well, it is well with my soul.

C                G                F                C
Though Satan should buffet, though trials should come,
Am           D/F#                G                G/F
Let this blessed assurance control,
C/E                F                D/F#                G
That Christ has regarded my helpless estate,
Am                G                F
And hath shed His own blood for my soul.

C                G                F                C
My sin, O, the bliss of this glorious thought!
Am           D/F#                G                G/F
My sin, not in part but the whole,
C/E                F                D/F#                G
Is nailed to the cross, and I bear it no more,
Am                G                F
Praise the Lord, praise the Lord, O my soul!

C                G                F                C
And Lord, haste the day when my faith shall be sight,
Am           D/F#                G                G/F
The clouds be rolled back as a scroll;
C/E                F                D/F#                G
The trump shall resound, and the Lord shall descend,
Am                G                F
Even so, it is well with my soul.
