It’s True – Sara Groves

F   Am   F   C
In your heart you hope it's true
F   Am   G   F
Though you hold no expectation
F   Am   F   C
In the deepest part of you
F   Am   G   C
There's an open hesitation

F   Am   C   F
But it's true, kingdoms and crowns
C/E   D/F#   C/G   E/G#
A God who came down to find you
F   Am   C   F
It's true Angels on high
C/E   F   G   {F – Am – F – C – F – Am – G – F}
Sing through the night alleluia

F   Am   F   C
You heard it told, you think it's odd
F   Am   G   F
The whole thing fraught with complication
F   Am   F   C
The play begins with baby God
F   Am   G   C
And all His blessed implications
