Knowing you – Graham Kendrick

F         C                   F     C
All I once held dear, built my life upon
F          C             Am       G
All this world reveres and wars to own
F              C                 F
All I once thought gain, I have counted loss
F                 C                 F
Spent and worthless now, compared to this

F C F C
Knowing you, Jesus, knowing you
Am Em F
There is no greater thing
C/E F
What was profit, now is loss
C/E F
Clinging only to the cross
C           G         C     G
And I love you Lord

F         C                   F     C
Now my heart’s desire is to know you more
F          C             Am       G
To be found in you, and known as yours
F              C                 F
To possess by faith what I could not earn
F                 C                 F
All surpassing gift of righteousness
(chorus)

F C F C
Oh to know the power of your risen life
F          C             Am       G
And to know you in your sufferings
F              C                 F
To become like you in your death my Lord
F                 C                 F
So with you to live and never die
(chorus)

C/E F C/E F
You’re my all, you’re the best, you’re my joy, my righteousness
C           G         C     G
And I love you Lord
