Waiting in your palm is the most beautiful pearl I have ever seen
I am like a merchant so ecstatic at the sight Held out by a king
To have it I’d sell everything

Chorus
I am giving all I have, Giving all I have
For this kingdom pearl
I am giving all I am, Giving all I am
To the king of pearls

Hidden in the earth lies the treasure of a king
I am like a peasant who was passing by a field Found it in the ground
There’s treasure hidden all around

Chorus
Bridge (repeat)
This pearl you share with me
I will also give away

Chorus
Ending V3
I have found the pearl of - the greatest worth: The treasure of a king
I have held the pearl of - the greatest worth: The kingdom of my king
