Song of Restoration  (E)

E   Emaj7            C#m
May I always strive to keep my conscience clear
A      E    A      B
Before God, before man
(repeat)

A      E      B
Search me, Oh God
      A    E  C#m – B – E
And know my heart
A
Try me and know
A          C#m     B       A
(C#m B A)
Test me and know my anxious thoughts

B      A            E
And lead me in the way everlasting
B      A            E
Set my eyes on eternity
B      A            E
This is my prayer for restoration
A       B                  E   (end C#m, 2x)
Make me who you want me to be
