Too Proud – Enter The Worship Circle

{A - E - D - E}

verse

A   E   D
I'm too proud to ask, too broke to eat,

E   A - E - D - E
Too weak to bow, too strong to bleed.

chorus

A   E
Can you sing over me: words of comfort;

D   E
Can you satisfy me: sweet honey;

A   E
Can you break through me: strong hands;

D   E
Can you undo me: enough to heal me?

bridge

A   E
You take the weight... from my shoulders;

D   E
My hands were clenched... now their open;

A   E
I'll take your goodness... poured from the sky;

D   E
Food from the ravens... water from the dry... well.
