You Have Redeemed My Soul

C   G   Am   /G   F
You have redeemed my soul from the pit of emptiness
C   G   Fmaj7   C
You have redeemed my soul from death

{repeat}

Fmaj7
I was a hungry child
C
A dried up river
Fmaj7
I was a burned out forest
C   G   Am
And no one could do anything for me
Fmaj7
But you put food in my body
C
Water in my dry bed
Fmaj7
And to my blackened branches
C   G   Fmaj7
You brought the springtime green of a new life
Am   G   C
And nothing is impossible for you
