You Have Redeemed My Soul

D   A   Bm  /A   G
You have redeemed my soul from the pit of emptiness
D   A   Gmaj7  D
You have redeemed my soul from death
{repeat}

Gmaj7
I was a hungry child
D
A dried up river
Gmaj7
I was a burned out forest
D   A   Bm
And no one could do anything for me
Gmaj7
But you put food in my body
D
Water in my dry bed
Gmaj7
And to my blackened branches
D   A   Gmaj7
You brought the springtime green of a new life
Bm   A   D
And nothing is impossible for you
